Groundskeeper Summary:
We are looking for a dedicated Groundskeeper to take care of the landscape around our buildings. Your primary responsibilities include performing routine upkeep, such as mowing/trimming, trimming/cutting trees, pressure washing and sweeping walkways, and watering plants when the weather is dry. You may use a variety of tools, such as a power mower/ride on mower, chainsaw, gas trimmers, for example to complete your duties, in addition to occasional preventative maintenance on the facilities. The work requires a well-rounded individual with several years of landscaping/maintenance plus cleaning experience. Our ideal candidate already has prior grounds keeping experience.

Groundskeeper Duties & Responsibilities:

- Mow, water and trimming
- Keep shrubbery and trees trimmed
- Clean all pedestrian surfaces and walls
- Perform preventative maintenance on indoor and outdoor facilities
- Empty garbage and recycling containers
- Other duties as assigned

Groundkeeper Requirements & Qualifications:

- High school diploma, GED certificate and/or Landscaping and Maintenance experience
- Hand and power tools skills
- Physical stamina
- Class 5 Drivers License

Interested candidates should email their resume to gswmb@shaw.ca with the subject heading: **Groundskeeper**. Qualified candidates will be contacted for an interview.

Thank you for your interest and time.
Camp Director,
Gord Harding
